PROFILE

With an over a decade long career in film and television, spanning across various roles, including; Director, Producer, DP/Camera, drone operator and Editor, my style revolves around interesting compositions, deep connections and always putting the story first.

My work has aired globally on many major networks including Bravo, TVNZ, Al Jazeera, Sky TV, Māori Television and more, as well as featuring on streaming platforms Amazon Prime, TVNZ+, GloboSat and RNZ. With my personal work being screened in festivals throughout NZ, AUS, USA and Europe.

I am proficient in all leading cameras and film equipment and own a good array of in-house gear, including a RED DSMC2, Mavic 3 Cine drone, lighting and audio kits, and more.
